

cleanprotein™

See that cat on the front of this package? That's the Elsey's family cat, Herman! As he ages, Herman benefits from increased amounts of animal-based protein to maintain his overall health. Protein Bites deliver the essential nutrients and protein that cats like Herman need in a treat they're sure to love.

Inspired by the protein levels found in cats' natural prey, Dr. Elsey's cleanprotein treats deliver the nutrition your cat craves through simple, high quality ingredients. With added vitamins & other trace nutrients, including added plasma, cleanprotein helps to support a healthy immune system for overall feline wellness.

*Not recognized as an essential nutrient by the AAFCO Cat Food Nutrient Profiles.

Feeding Guidelines: Feed as a treat or reward. Enhance your cat's meal by mixing a small amount in with your cat's current food for enhanced flavor and nutrition. Remember to always provide a source of clean, fresh water for your cat(s). Treats should not make up more than 10% of your cat's daily calorie intake.

Calorie Content (calculated) – Metabolizable Energy:

3,965 kcal/kg, 0.79 kcal/treat.

Ingredients

Hydrolyzed Pork, Pork Plasma, Dried Chicken, Chicken Fat (Preserved With Mixed Tocopherols), Gelatin, Ground Flaxseed, Natural Flavor, Calcium Carbonate, Salmon Oil, Potassium Citrate, Choline Chloride, Potassium Chloride, Fructooligosaccharides, Vitamins (Niacin, Vitamin A Supplement, Thiamine Mononitrate, d-Calcium Pantothenate, Folic Acid, Pyridoxine Hydrochloride, Riboflavin, Vitamin D Supplement, Biotin, Vitamin B12 Supplement), Magnesium Oxide, Taurine, Minerals (Zinc Proteinate, Zinc Sulfate, Iron Proteinate, Ferrous Sulfate, Copper Proteinate, Copper Sulfate, Manganese Proteinate, Manganese Sulfate, Calcium Iodate, Sodium Selenite), Mixed Tocopherols (Preservative), Salt, Rosemary Extract, Vitamin E Supplement.
